The Eleanor Jones Tanner Woman of the Year Award for 2017 was presented to Sally Truby at the Scholarship Brunch on January 20, 2018. The annual award honors one of our members who best exemplifies Eleanor Jones Tanner's dedication to Panhellenic and the community. Sally has a degree in Education and spent a year studying abroad in France (what a hardship!). She later taught French and Spanish. She was married to Earnest Truby for 48 years. She has been a member of this Panhellenic since 1977 and has served as her sorority's representative since 1989. She served on the scholarship committee for many years (and as its chair), chaired scholarship fundraising events, and was vice president. She also organized numerous events at the Museum of Fine Arts, where she has been a member for over 40 years and a part-time employee for 22 years. In addition, she was a volunteer at the Florida International Museum for 15 years, from its opening to its closing. Sally was presented an etched glass plate and the Woman of the Year pin, a travelling award that was established by June Wedding in 2014.
